Abstract

A short (up to 250 words) summary of the main contributions of the paper and the context of the research. Full length papers discuss and illustrate methods, challenges, and limitations in the creation, collection, management, access, processing, or analysis of data in humanities research, including standards and formats. This template provides a general outline for full length papers and authors can adapt the headings and include subheadings as they find appropriate.

JEL Classification: G1, G11, G14, G17
Keywords: keyword 1; keyword 2; lower case except names, max 6
